Celebrate 50 Years of ministry at John Knox Center with your congregation! You have made it possible for thousands of children, youth and adults to experience God's love in a Christian atmosphere over the last five decades! Celebrate this life changing place September 17-19, 2010. This will be a weekend of celebration, reflection, fellowship and story telling. There is something for everyone from water skiing, high ropes, and swimming to tailgating the telecast UT/Florida game projected in the pavilion! Registration is now available at www.johnknoxcenter.org. This is more than just a picnic, registration required.

God of all age groups

We do not all need the same things at the same time. Our needs are different in our youth than they are in our middle years or in our later years. Someone pointed out that one reason why God is referred to continually in the Old Testament as the God of Abraham, of Isaac and of Jacob, is in order to illustrate that He is the God of every succeeding generation and the friend of every age. This indeed is gloriously true, and we may well rejoice in it.
